Crochet baubles are so much fun to make, it is beneficial to know the basic crochet stitches before attempting these though, so have a look at the stitch explanations at the bottom of this page and have a play with those before you start. The pattern is written in UK crochet terms.

Break off yarn leaving a long tail for sewing.

WINGS: (make 2)

Row 1. Using BROWN CH 10

The red numbers in brackets are to help you see where the stitches should go.

Row 2. DC into the 2nd CH from the hook and the next TWO CH's (2-4), HTR in the next THREE stitches (5-7) TR in the next TWO stitches (8-9) then work 6 TR's all into the last stitch (10)

Do not turn but work BACK DOWN the chain stitch so it becomes the centre of the wing, you will have already started to work back with those last 6 TR's,

so - TR into the next TWO stitches (9-8), HTR in the next THREE stitches (7-5) then DC into the next THREE stitches (4-2) SS in the last stitch (1) (25 stitches in total)

Row 3. CH 2, DC in the next FIVE stitches (1-5), HTR in the next THREE stitches (6-8), TR in the next ONE stitch (9), work 3 x TR's into the next stitch (10), then 2 x TR's into the next THREE stitches (11-13). Next work 3 x TR's into the next stitch (14) and 1 x TR into the next (15), HTR into the next THREE stitches (16-18) then DC into the next FIVE stitches (19-24) SS into the last to join (25)

Break of yarn leaving a tail to sew the wings onto the body with.

HANGING CHAIN:

CH 26 and break off yarn, leaving a long enough tail to sew with.

ASSEMBLY:

Sew the red breast to the top part of the white belly, then add the wings to the side. Finally add the hanging chain to the top and sew in all your ends.

Now you need to put your robin in the wash on a hot wash - I washed mine at 60 degrees. It will shrink and felt. If it hasn't you need to wash it hotter.

Add the beak to the top of the red breast and then sew the eyes in place.

Display your Robin with pride!
